Limitations:

1.) If a character's portrait is on the screen each line of text has a MAX length of 21 characters. (Ex: Regina, Jack, Earth, ...)

2.) If there is NO character's portrait on the screen each line of text has a MAX length of 26 characters. (Ex: King / Queen Arcadia, ...)
3.) Each block of text has a MAX of 3 lines in length.

1.) If a character's portrait is on the screen each line of text has a MAX length of 21 characters. (Ex: Regina, Jack, Earth, ...)

2.) If there is NO character's portrait on the screen each line of text has a MAX length of 26 characters. (Ex: King / Queen Arcadia, ...)

3.) Each block of text has a MAX of 3 lines in length.

*** Below is an example of a 4 line text block. It scrolls past so fast you wont be able to read the first line. ***
