

# The Most Anticipated Cheat Device! Code Freak for 3DS

Introducing the newest 3DS cheat device **CYBER Code Freak for 2DS/3DS**. Coming this February.

## Feature 1

**Unlocks secret modes like "Invincible" and "Regular Critical Hits" Much better gameplay than Save Editor!**

Code Freak unlocks many game secrets allowing you to max money or RPG character level in your favorite games. Unlike in **Save Editor**, you can directly adjust parameters (numerical codes) to activate secret effects like **invincibility**, **unlimited ammo**, **"Regular Critical Hits"** in **Dragon Quest**, **100% pokéball catch rate** in **Pokémon Ultra Sun and Ultra Moon**. Code Freak for 3DS supports **over 100 titles** with some of the most in-demand cheat codes.

- Original Japanese version -

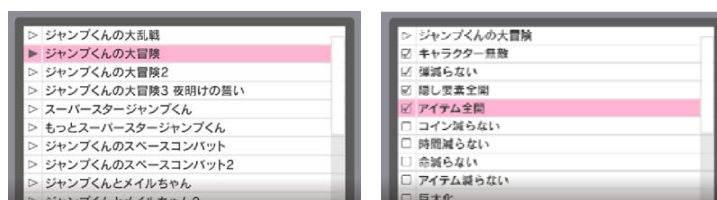

## Feature 2

**Supports more titles than Save Editor!**

Code Freak supports additional titles unavailable in **Save Editor** like **Monster Hunter XX**, **Animal Crossing**, and **Inazuma Eleven (Series)**, as well as **New 3DS exclusive titles** like **Xenoblade Chronicles**. Plus, you can use it on **download version games** (also unavailable in **Save Editor**).

\*Network access is disabled during use of Code Freak.

## Instruction

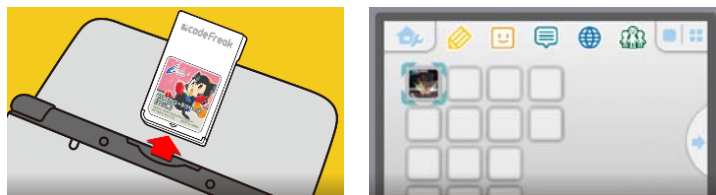

- 1) Insert Code Freak to your 2DS/3DS and select a game.
- 2) Choose your desired cheat code from the list and remove Code Freak.

\*The images shown are from the original Japanese version.

## Feature 3

**Regularly adds titles and cheat codes!**

You can download new codes from our website directly on your 2DS/3DS, or download them on a PC first then upload to your 2DS/3DS.

- 3) Press START & remove Code Freak.
- 4) Insert your game card and enjoy!
